RE: DRAFT BYE-LAWS

ITEM NO: 9 OF THE MEETING OF THE 31st MAY 2017

Dear Members,

In respect to the above, the draft bye-laws were previously considered by the Members and approved to go out to public display. Following the public display period, 371 submissions were received from the public and there was wide public comment, carried in various medias, as to the merit or otherwise of these proposed bye-laws. In advance of the meeting, I attach herewith a copy of the draft bye-laws together with a summary report on the commentary of the submissions to the relevant provisions of the bye-laws.

At the upcoming meeting the Members will be asked to consider the draft bye-laws with reference to the submissions received. A further report and presentation will be provided at the SPC meeting.

I trust that this clarifies the position for you.

Director of Services,
Transportation, Recreation & Amenity and Corporate Services Directorate.**
