## **To the Mayor & Each Member of Galway City Council**

**Item of the Agenda Ordinary Council Meeting of Galway City Council 13<sup>th</sup> May 2019. – Sailín to Silverstrand Project Update**

Dear Mayor & Councillor,

As advised previously Galway City Council have commissioned consultants to review the planning approval and the foreshore licence application to assess its validity in light of recent correspondence, changes in legislation and recent Court rulings. The final report prepared by RPS is scheduled to be sent to Galway City Council on Monday 13<sup>th</sup> May 2019. It is my understanding that the RPS Report will contain a recommendation to engage with NPWS to validate their assumptions.

As such, a meeting between Galway City Council's officials, National Parks and Wildlife Service and the Department of Housing, Planning, And Local Government has been scheduled for the end of May 2019. The findings of the RPS report and the outcome of the discussions with National Parks and Wildlife Service will then be brought back to the members at the next available Council Meeting.

**Dermot Mahon,**

**A/Director of Services,**
